Security Information

JUL 15 1953

**MEMORANDUM FOR:** Deputy Director, Intelligence  
**FROM:** Assistant Director, Collection and Dissemination  
**SUBJECT:** Release of SE's to the Federal Civil Defense Administration.

1. The Federal Civil Defense Administration has requested that it receive one copy each of:

SE 36/1 (Top Secret), Soviet Capabilities for Attack on the U. S. through Mid-1954.

SE 46 (Top Secret), Probable Long Term Development of the Soviet Bloc in Western Power Positions.

2. ONS has no objection to sending this publication nor has Inspection and Security on security grounds.

3. OCD believes that this subject lies within the province of the Federal Civil Defense Administration and recommends this additional distribution, strictly on a need-to-know basis.

James M. Andrews  
Assistant Director  
Collection and Dissemination

Recommendation (not) approved.
